

INSERT BOND LOGO

Dear Friends of [School District ISD],

[PAC Name] is a group of [ISD] parents and citizens dedicated to promoting passage of the [School Name] ISD bond election being held on [election date] through the education, engagement and motivation of our voters to vote FOR the school bond.

The [dollar amount] bond package was unanimously voted upon by the [School Name] Board of Trustees and developed and recommended by a committee made up of [School Name] ISD parents, citizens, and school staff. Members studied, discussed, and deliberated over the course of several months on what the best, most cost-effective and practical solution for our children and taxpayers would be.

We strongly believe this is the right choice for our children – but also for our businesses, economy, and future wellbeing of our community. It is because of our quality schools and the standard of excellence maintained by [School Name] ISD that we have a strong, thriving community.

We invite you to get involved in the campaign and help secure a brighter future for us all. To be successful in this endeavor, it will take a united volunteer effort, as well as the robust resources to adequately reach the voting population. Your contribution, made payable to “[PAC Name],” will give us a tremendous boost and provide the help we need to successfully launch this campaign.

Feel free to reach out to us; we will be happy to make arrangements to collect your donation or checks can be mailed to [PAC Address].

At the heart of any great community are great schools. Now is our time to choose to support our children and our community for the continued success of [School Name] ISD. We are grateful for your help in this very important endeavor!

With gratitude and support for our community,

PAC Chair
